

Checklist for Completion: Continuous Quality Improvement

If you do not yet have a program running, a completion of this component means you have:

- Completed the CQI Tool.
- Documented successful program activities.
- Assessed program activities that did not work well overall or for specific groups.
- Identified areas for improvement.
- Created strategies for improvement.
- Increased buy-in within your organization by soliciting and acting on the suggestions of program staff.

If you already have a program running, you have completed the same steps as above.
