

Checklist for Completion: Outcome Evaluation

If you do not yet have a program running, a completion of this component means you have:

- Identified outcome measures.
- Chosen the design of the evaluation.
- Developed methods to use.
- Developed and finalized a plan to put those methods into place.
- Conducted the outcome evaluation (collected your data).
- Analyzed data, interpreted your findings, and reported your results.

If you already have a program running, you have completed the same steps as above.
